DES - DDSA determines disability entitlement for the Arizona Long-Term Care System and the Federal Emergency Services program. DES - PASARR screens all individuals with developmental disabilities before they enter the Long-Term Care program to determine the appropriate level and types of specialized services needed. The line item includes 4.3 FTE Positions, of which 2.0 are funded from the General Fund and 2.3 from Federal Expenditure Authority.

### ***DHS Title XIX Pass-Through***

DHS Licensure is responsible for federally required inspection and licensure of Title XIX-certified nursing care facilities. DHS PASARR conducts Level II psychiatric evaluations of Title XIX-certified nursing facility patients who have been identified through a Level I screening as potentially having a mental illness. Finally, DHS Indirect Costs Licensure represents the cost of administrative functions performed by non-Licensure Division staff in support of the Licensure Division. This Special Line Item also includes \$4,000,000 from the General Fund to pay for the reinsurance portion of this program.

### ***Office of Administrative Hearings***

The JLBC recommends \$191,900 in Federal Expenditure Authority for Office of Administrative Hearings (OAH) costs in FY 2005. This amount is unchanged from FY 2004.

This Special Line Item contains the federal expenditure authority associated with hearing and grievance activities. Laws 1998, Chapter 57 transferred the hearing and grievance function to OAH. However, AHCCCS retains the associated federal funding, which is transferred to OAH based on the cases reviewed. In addition, monies are received from the Children's Health Insurance Program (CHIP) Fund. This line item includes 3 FTE Positions funded from Federal Expenditure Authority funds.

### ***KidsCare - Administration***

The JLBC recommends \$6,121,300 for KidsCare Administration costs in FY 2005. This amount includes \$1,397,600 from the General Fund and \$4,723,700 from the Children's Health Insurance Program (CHIP) Fund. These amounts would fund the following adjustments:

<b>Eliminate KidsCare - Parents</b>	<b>GF</b>	<b>\$(445,300)</b>
	<b>OF</b>	<b>(1,497,600)</b>

The JLBC recommends a decrease of \$(445,300) from the General Fund and \$(1,497,600) from the CHIP Fund for decreased KidsCare Administration costs due to the elimination of the KidsCare – Parents program. See the *AHCCCS Acute Care section for more information.*

KidsCare, also known as the Children's Health Insurance Program (CHIP), provides health insurance coverage to uninsured children whose families have an income less than 200% of the Federal Poverty Level (FPL). This Special Line Item includes funding for the administration component of this program, while funding for the services in the KidsCare program are included in the Acute Care Cost Center. This line item contains 142 FTE Positions funded from the CHIP Fund.

The BNCF is comprised of contributions from Arizona counties for administrative costs of the implementation of Proposition 204. Prior to the Proposition, the counties funded and administered the health care program for some of the Proposition 204 population.

This Special Line Item contains funding for Pass-Through administration costs, in DES, of the Proposition 204 program. This funding primarily represents eligibility services provided by DES. This line item includes 659 FTE Positions, of which 329.5 are funded from the General Fund and 329.5 from Federal Expenditure Authority.

The amounts appropriated for the Department of Economic Security Eligibility Special Line Item shall be used for intergovernmental agreements with the Department of Economic Security for the purpose of eligibility determination and other functions. The General Fund share may be used for eligibility determination for other programs administered by the Division of Benefits and Medical Eligibility based on the results of the Arizona Random Moment Sampling Survey.
